

## Across the country and around the world...we've got you covered.

As a Blue Cross member, you take your healthcare benefits with you — across the country and around the world. Your membership gives you a world of choices. Within the United States, you're covered whether you need care in urban or rural areas. Outside the United States, you have access to doctors and hospitals around the world through the BlueCross BlueShield Global Core program.

## Designed to save you money.

In most cases, when you travel or live outside your Blue Plan service area, you can take advantage of savings your local Blue Plan negotiated with its doctors and hospitals. For covered services, you should not have to pay any amount above these negotiated rates and any applicable out-of-pocket expenses.

### To locate doctors and hospitals wherever you or a covered dependent need care (have your member ID card handy):

- Visit the National Doctor & Hospital Finder at [BCBS.com](http://BCBS.com). 
- Use the National Doctor & Hospital Finder app and the BlueCross BlueShield Global Core app for Android,\* iPhone, iPad and iPod Touch.\*\* (Rates from your wireless provider may apply.)
- Call BlueCard Access® at 1.800.810.BLUE (2583). 

# Take charge of your health, wherever you are.

## In the United States

- Always carry your current member ID card.
- If you're a PPO member, always use a BlueCard PPO doctor or hospital to ensure you receive the highest level of benefits.
- Call your Blue Plan for precertification or prior authorization, if necessary. Refer to the phone number on the back of your member ID card.
- When you arrive at the participating doctor's office or hospital, show the provider your member ID card. The provider will identify your benefit level through one of these symbols:

In an emergency, go directly to the nearest hospital.
